**NOTE** When mounting the lock the installation instruction has to be followed.

Through the USB and Bluetooth connection security relevant information (like opening codes) may not be entered. Only the features listed in the operation instruction may be used.

The following input units may be used for the EM2020 and EM2050: AL20XX, AL30XX, ST40XX, BR50XX, EC10XX, PI20-xx, EK50XX, DE20XX, PI30-xx, T65XX, Echo Basic, Echo Advance

The marking as ECB•S certified product, in compliance with this certificate, is only allowed with an original ECB•S certification mark as proof of conformity according to ISO/IEC 17065.
